

Bridges to the Community: Building Social Capital

Presented by

Cathy Ficker Terrill

Cathy Ficker Terrill is the CEO of the Council on Quality and Leadership (CQL). Her job is to define, measure and improve personal quality of life for people with disabilities. Her career has included working in leadership positions in government, non-profit organizations, university teaching, advocacy and supporting and mentoring self-advocates. *(for more about our presenter, go to <http://disabilities.temple.edu/programs/miniseries/>)*

How can we help people with disabilities build their social capital to enhance their lives?
